OUR PRODUCTS

At Ghia Industries, every product embodies our promise of comfort, craftsmanship, and quality. Our manufacturing expertise spans across a versatile range of quilted and filled textile products designed to meet international standards and diverse client needs.

From bulk export orders to custom collections for hospitality, healthcare, and retail, we deliver excellence in every stitch.

MULTI-NEEDLE QUILTED PRODUCTS

Our multi-needle quilting machines enable the production of large-scale, uniform designs tailored to customer specifications. Each item reflects durability, precision, and design versatility.

Items: Bedspreads, mattress protectors, pillow protectors, summer quilts, and garment products

With a combination of technical accuracy and aesthetic appeal, our quilted products add elegance and texture to modern living spaces.

Design Size: 0.25" up to 12"

Monthly Capacity: Approximately 75,000 meters

ULTRASONIC QUILTED PRODUCTS

Our ultrasonic quilting machines use high-frequency vibration to fuse fabrics without thread, producing sleek, seamless, and durable designs.

This technology is ideal for lightweight and premium bedding collections.

Items: Bedspreads, mattress protectors, pillow protectors, summer quilts, garments and other hometextile products

These products are celebrated for their clean, modern aesthetic and superior strength - perfect for clients seeking innovation and contemporary style.

Design Size: 0.1" up to 12"

Monthly Capacity: Approximately 25,000 meters

BLANKET AND THROWS

Blankets and throws are manufactured using specialized weaving, knitting, or finishing processes to provide warmth, softness, and long-lasting comfort.

Items: Blankets, throws, travel blankets, sofa throws, and decorative throw covers.

Fabric: Fleece, flannel, coral fleece, sherpa, microfiber, acrylic, and polyester blends.

Used for warmth, layering, decorative styling, and comfort in residential and hospitality spaces.

Monthly Capacity: Approximately 25,000 Pcs

COMFORTERS & QUILTED BEDDING

Our comforters and duvets are crafted for warmth, softness, and long-term comfort. Each product is designed for homes, hotels, and healthcare institutions where both durability and luxury matter.

Items: Comforters, duvets, and mattress toppers

Fabric: Micro Fiber, 100% Cotton, PC Fabric, Satin, Coral, Sherpa, Flannel, Poral, Polar Fleece and Stripe etc

Soft fillings, fine stitching, and elegant finishes make our comforters the perfect blend of functionality and sophistication.

Sizes: Twin, Full, Queen, King, and California King

Monthly Capacity: Approximately 25,000 pieces

DYED BED SHEETS

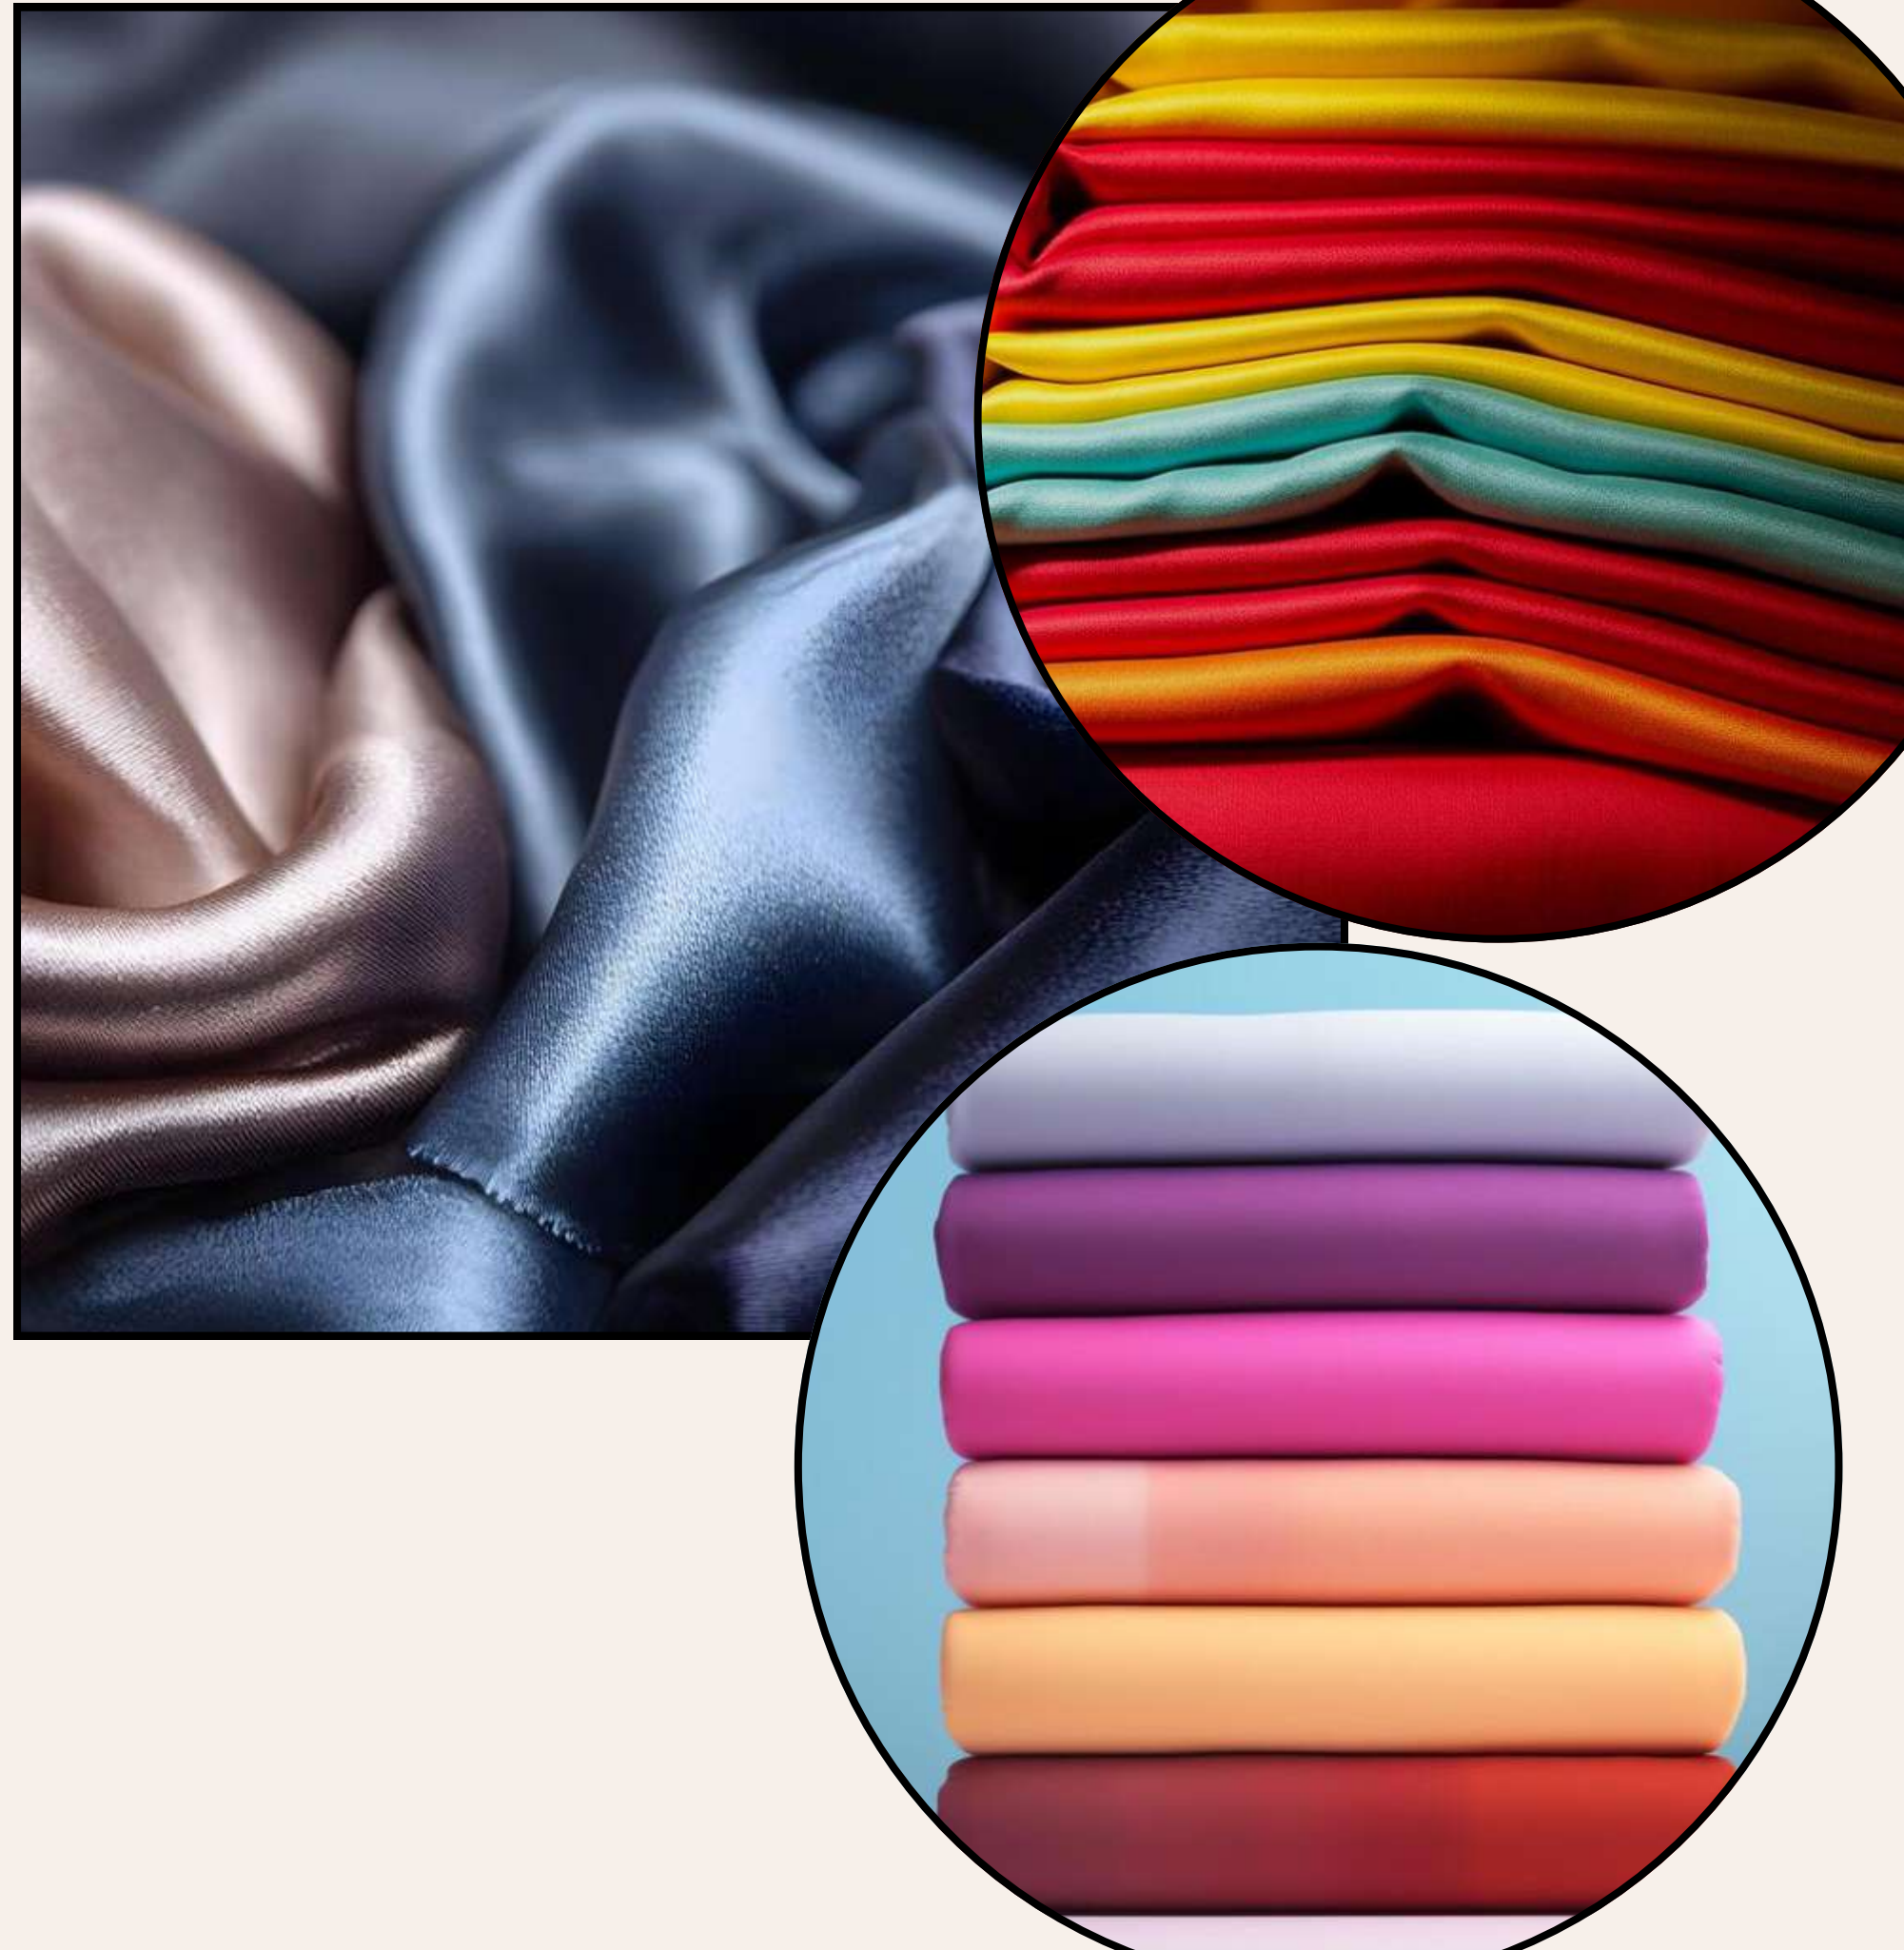

Our dyed bedding collection combines timeless design with exceptional comfort. Crafted from premium fabrics, these bed sheets are durable, colorfast, and luxurious to the touch.

Fabric: Micro Fiber, 100% Cotton, PC Fabric, Satin, Coral, Sherpa, Flannel, Poral, Polar Fleece and Stripe etc

Perfect for home bedrooms, 5-star hotels, and healthcare institutions, our dyed bed sheets deliver the ideal balance of elegance and durability.

Sizes: Twin, Twin XL, Full, Queen, King

Monthly Capacity: Approximately 100,000 pieces

PRINTED BED SHEETS

Vibrant, stylish, and durable—our printed bed sheets transform ordinary spaces into expressions of personal style. Produced using long-lasting, fade-resistant inks, they retain brilliance wash after wash.

Fabric: Micro Fiber, 100% Cotton, PC Fabric, Satin, Coral, Sherpa, Flannel, Poral, Polar Fleece and Stripe
etc

Each print reflects modern trends and market preferences, catering to both local and international buyers who value originality and premium quality.

Sizes: Twin, Twin XL, Full, Queen, King

Monthly Capacity: Approximately 100,000 pieces

EMBOSSED BED SHEETS

Vibrant, stylish, and durable — They are produced using controlled heat and pressure to form raised designs on the fabric, creating a textured and elegant finish without stitching.

Items: Bedsheets, duvet covers, pillowcases, bedspreads, comforter covers, and complete bedding sets.

Fabric: Microfiber, polyester, poly-cotton blends, and brushed fabrics.

Each print reflects modern trends and market preferences, catering to both local and international buyers who value originality and premium quality.

Sizes: Twin, Twin XL, Full, Queen, King

Monthly Capacity: Approximately 100,000 pieces

PREMIUM WHITE COLLECTION

Our Premium White Collection is the definition of timeless luxury. Designed for elite hospitality and healthcare environments, this collection represents purity, refinement, and comfort at its peak.

Crafted from the finest materials, these white bedding products offer an unparalleled experience of softness and sophistication making them ideal for five-star hotels, hospitals, and luxury homes.

PILLOWS & CUSHIONS

Versatile, plush, and expertly crafted—our pillows and cushions bring comfort and charm to any setting. From sofas to hotel suites, they are designed to maintain shape and softness over time.

Whether for home décor, office seating, or export retail lines, our pillows add comfort and visual appeal to every environment.

ALL SIZES AVAILABLE

Monthly Capacity: Approximately 100,000 pieces

TABLE LINEN

Table linens are finished using specialized weaving, printing, embroidery, or embossing techniques to enhance surface texture, design clarity, and durability.

Items: Tablecloths, table runners, placemats, napkins, and coordinated table sets.

Whether for home décor, office seating, or export retail lines, our table linens visual appeal to every environment.

Monthly Capacity: Approximately 100,000 pieces

CURTAINS & DRAPES

Curtains and drapes are produced using precision weaving and finishing processes that control light, enhance insulation, and add aesthetic depth, with options for plain, textured, or patterned surfaces.

Items: Curtains, drapes, blackout panels, sheer panels, valances, and coordinated window sets.

Fabric: Polyester, velvet, blackout fabrics, sheer voile, jacquard, and poly-cotton blends.

Monthly Capacity: Approximately 100,000 pieces

HOME FURNISHING (INDOOR & OUTDOOR)

Filled home furnishing products are manufactured by enclosing selected filling materials within durable outer fabrics, providing structure, comfort, and long-lasting shape retention.

Items: Filled Items, Pet Beds, Garden Chair-pad, and Floor Cushions etc

Used for seating comfort, decorative styling, back and floor support, and enhancing both residential and hospitality interiors.

Monthly Capacity: Approximately 100,000 pieces

TOWELS

Towels are produced using high-absorbency weaving techniques that enhance softness, moisture absorption, and durability for repeated use and washing.

Airjet and jacquard

Items: Bath towels, hand towels, face towels, bath mats, beach towels, and towel sets.

Fabric: Cotton, combed cotton, ring-spun cotton, zero-twist cotton, and cotton blends.

Used for personal drying, hygiene, comfort, and everyday bathroom and hospitality applications.

Monthly Capacity: Approximately 250,000 pieces

GARMENTS

Kaftans and garment products are created through precise cutting, stitching, and finishing processes that ensure comfort, fluid drape, and refined detailing.

Items: Kaftans, abayas, tunics, dresses, robes, lounge wear, and fashion garments.

Fabric: Polyester, chiffon, georgette, crepe, satin, cotton, silk blends, and viscose.

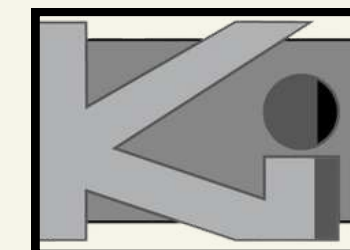

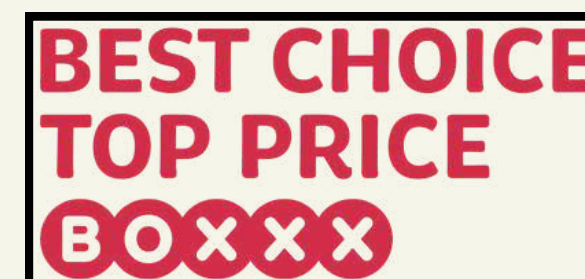

Used for casual wear, formal occasions, resort wear, lounge wear, and fashion-focused lifestyle collections.

Monthly Capacity: Approximately 125,000 pieces
